STUDENT'S APPLICATION, LEARNING AGREEMENT & ACCEPTANCE

Students **MUST NOT** complete the application form if they have not received an e-mail accepting their nomination. (NOMINATION ACCEPTED EMAIL)

Required application documents:

1. **Special needs & adaptations certificate** (if applies) It must be in Spanish or in English.
2. **Passport COMPULSORY:** Picture or Copy (valid during your mobility period)

Due to a change in Spanish legislation,
**PASSPORT is COMPULSORY for all INCOMING STUDENTS
& MUST BE VALID for THEIR complete MOBILITY PERIOD.**

3. **Language certificate/s**¹ of their mobility language/s.

Students must have their LANGUAGE CERTIFICATE/S PRIOR TO THEIR NOMINATION.
Otherwise, the application will be stuck, and the student will not be able to go ahead with the process.

BRIEF EXPLANATION of the PROCEDURE that the student MUST follow his/her nomination has been accepted:

1.- Once received the “**Nomination accepted**” email, students **MUST** fill out the **on-line application** and **upload the required documents** according to the corresponding stage.

2.- Once their **first documents** were checked and validated by the URJC, the student will get to the **LEARNING AGREEMENT** stage (URJC Learning Agreement Draft Model), where he/she will have to choose the subjects (the selection **MUST BE DONE** online through our platform).

When drawing up the **Learning Agreement**, we strongly urge you to **check the selected subjects and the number of ECTS credits** to ensure that they meet the requirements and needs of the student and the home university regarding **possible validations**.

Once filled correctly the student must:

- **Download and save** the document. (URJC's Learning Agreement Draft Model).
- Compulsorily complete the corresponding table with the subjects approved at your **Home University (Table B)**.
- **Sign** the document: **Student's and home university's signatures** are mandatory.
- Upload the document to the platform.

In case of having your own model of Learning Agreement, the student must upload his/her model, signed by the student and his/her home university, but **IT IS COMPULSORY TO GENERATE CORRECTLY THE DRAFT OF THE URJC MODEL**. The subjects* (**TABLE A**) and the

¹ **Language certificate** provided by an official Language Institute (Cambridge, TOEFL, TOEIC, DELE...) or Home University's document that certify that language level. The required is Spanish B1, English B2.

If the student is going to study in both languages, he/she will have to provide both certificates.

For courses in **Health Sciences**, **B2 Spanish** certificate will be required, except **Psychology (B1)**.

Mother tongue level is not compulsory to be certified; in that case, you can upload a second copy of student's passport.

information in both models MUST BE THE SAME. **(Component code, Component title at the Receiving Institution, Semester Number of ECTS credits, etc).*

Once uploaded, the **URJC will check the document**, if the Learning Agreement is correct, then URJC will validate and sign it digitally. Then the URJC will issue the **ACCEPTANCE LETTER*** ←
**Only from this moment the student will be accepted.*

Please don't send hard copies of the documents neither postal mail nor by e-mail.

The whole procedure must be COMPULSORILY done through URJC's PLATFORM.

Once the semester has started, the student will have the possibility to modify the learning agreement **EXCLUSIVELY** due to **schedule overlap, lack of quota, and academic reasons duly justified by home university.** (Only one Learning Agreement modification is allowed per semester).

Due to external reasons to this service regarding quota availability, URJC cannot guarantee the schedule of the selected subjects. (Students can be assigned to morning or afternoon timetables).

CLARIFICATION ABOUT PASSPORT AS A COMPULSORY REQUIREMENT

The reason for this section is to clear up the doubts that many of you have transmitted to us regarding the **compulsory requirement of a passport** for all **Incoming mobility students at the URJC.**

- The passport is **not requested for questions related to foreign affairs or access to Spain.** (Except those cases in which Visa is required).
- The passport is requested due to a **new regulation** imposed by the **Spanish Government** which states the **SOCIAL SECURITY CONTRIBUTION OF STUDENTS IN EXTERNAL INTERNSHIPS OR TRAINING PLACEMENTS:**
"From **1st of January 2024**, as a general rule, host students at the URJC who carry out training placements in Spain **must obtain the NUSS** (Spanish Acronym for: Social Security Number) and be **registered with the Spanish Social Security.**"
In order to be registered with the Social Security it is **essential** to have a **valid PASSPORT.**
To learn more about this: <https://en.urjc.es/seguridadsocial-practicas>

That is the reason why:

- Students who are going to **study at the URJC** Degrees/Bachelors belonging to the **Faculty of Health Sciences** must **MANDATORILY be nominated** with their **passport number.** This **passport must be valid for their whole mobility period.**
- The **rest of students** (all study areas except Health Sciences), they can provide **ID or PASSPORT** but they will have to take into account the information that appears in the **TEACHING GUIDES (SYLLABUS)** <https://gestion3.urjc.es/guiasdocentes/> of the subjects that they are going to take at the URJC, some **theoretical subjects** might have **practical components** (For example: some subjects from Engineering, Education etc.) . In this case, if the student **does not have a passport, he/she will not be able to take these subjects.**

LANGUAGE REQUIREMENTS

Before being accepted, students must provide their **mobility language certificate**, in which they are going to study here at URJC.

If the **mobility language is English**, the student will need a **B2 certificate** provided by a Language Institute (Cambridge, TOEFL, TOEIC ...) or, failing that, a document from home university that certifies that level of language.

If the **mobility language is Spanish**, the student will need an official **B1 certificate** or, a document from home university that certifies that language level.

Health Sciences Students it is required **B2 certificate in Spanish**, except **Psychology** in which **B1 certificate in Spanish** is enough.

If the student is going to study both in **English and Spanish**, he/she must provide the required certificates for both languages.

The mother tongue does not need to be certified.

SPANISH LANGUAGE SUPPORT

Spanish courses **MUST NOT be added to the Learning Agreement**, they will not appear on the Transcript of Records since they are subjects from the Language Centre, and they have an extra cost. When the students finish the course, they will receive a certificate indicating their attendance, grades and credits.

Semester Spanish Courses (Pending of Confirmation)

Erasmus and Munde students can also attend a Spanish course that will take place during the academic year. Information on duration, registration deadlines, prices, etc. is pending of confirmation.

Also, there are **other language courses available**.

For more information: Web: <https://gestion3.urjc.es/cui/> | Email: centro.cui@urjc.es

VISA REQUIREMENTS

EU and EFTA member country citizenship students (Iceland, Liechtenstein, Norway, and Switzerland) do not need an entry visa, but they do need to obtain the **Union Citizen Registration Certificate**.

In this link you can find information on **how to apply** (*Notice: It is in only available in Spanish Language*): https://sede.policia.gob.es/portalCiudadano/es/tramites_extranjeria_tramite_certificadoregistro_ciudadanoue.php

Students **from other countries, but from universities in EU and EFTA member countries**, must apply for a **stay authorization for studies for mobility within the European Union**

SEMESTRAL non-community students and from non-community universities must apply for the student visa at the **Spanish Consulates** in the student's home country **NOT** in Spain.

ANNUAL non-community students from non-community universities must APPLY for both the student visa and to the Foreigner Identity Card (*Notice: It is in only available in Spanish Language*):

- **Foreigner ID Card (TIE)** the Spanish acronym for **tarjeta de identidad de extranjero**: <https://www.interior.gob.es/opencms/es/servicios-al-ciudadano/tramites-y-gestiones/extranjeria/regimen-general/tarjeta-de-identidad-de-extranjero/>
- **Visa extension for international students**: https://sede.policia.gob.es/portalCiudadano/es/tramites_extranjeria_tramite_prorrogaestancia_cortaduracion.php#

Visa processing can be delayed, so students requiring a visa must **set an appointment at their embassy or consulate** (*in his/her home country*) and **complete their application on our platform as soon as possible** to obtain **their acceptance letter**.

HEALTH INSURANCE

EU members and EFTA (Iceland, Liechtenstein, Norway and Switzerland) even if they have the **European Health Insurance Card**, they **MUST COMPULSORILY** have a **private health insurance** (private health card or private health insurance) to cover the contingencies that may occur during his/her mobility period: Civil Liability, Health issues, (due to illness, accident etc.) and Repatriation.

Find out more information about **Health Insurance** here:
