

# Curiosity and love for discovery?

## Summer 2026

# Archaeological Digs!

Dive into history with hands-on field experience at  
**Hannathon** in the **Biblical Galilee**.

Explore ancient trade routes, prehistoric settlements,  
and uncover the stories of Israel's diverse past.

Work alongside expert archaeologists, learning  
modern excavation techniques and engaging in  
discussions about the research.

Open to participants from all academic backgrounds,  
**no prior experience required**, just curiosity and a  
love for discovery!
